FALL 2023

INTD 500: CAREER & COLLEGE READINESS

This course is designed to help you develop a deeper understanding of how you work best, and how you can take a leadership role in team development.

We discuss various aspects of communication, how to manage your emotions, how you communicate with others, how people feel in those conversations, and how to change the way we communicate in order to get more value out of our personal and professional relationships.

The Career and College Readiness course can help you develop tools to support every aspect of your life - academic, professional, and personal.

The 21st Century skillsets gained in the this course are what employers are looking for in an ideal candidate.
