Events & Resources for Learners

College and Career Readiness (CCR): Register now for CCR this fall at SDCCE! Session 2 & 3 are still available!

CCR can help individuals develop communication and learn ways to support a learner's academic, professional, and personal life.

If you are interested in signing up for this great class in Fall, register at this link [HERE](#). View the [CCR Flyer](#) below for more information or find out more by meeting with a counselor at any of the SDCCE campuses.

FALL 2023

INTD 500: CAREER & COLLEGE READINESS

This course is designed to help you develop a deeper understanding of how you work best, and how you can take a leadership role in team development.

We discuss various aspects of communication, how to manage your emotions, how you communicate with others, how people feel in those conversations, and how to change the way we communicate in order to get more value out of our personal and professional relationships.

The Career and College Readiness course can help you develop tools to support every aspect of your life - academic, professional, and personal.

The 21st Century skillsets gained in this course are what employers are looking for in an ideal candidate.

The Affordable Connectivity Program is offered by the Federal Communications Commission to help families with low income obtain affordable, quality, reliable internet access. It provides a discount of up to \$30 per month for internet service, a discount of up to \$75 per month for internet service for households on qualifying tribal lands, and a one-time discount of up to \$100 for a laptop, desktop computer or tablet from a participating provider.

The San Diego Housing Commission's (SDHC) Digital Inclusion Project helps address the "digital divide" between households with access to technology and the internet and those who do not have access. The project's initiative's include raising awareness about the Affordable Connectivity Program.

For more information about additional resources to help connect to the internet, call 619-578-7783.

Computer Basics & Office Skills Lab Courses: will be offered at ECC, Mid-City, and Caesar Chavez campuses this Fall. Registration is free and can be completed by attending a class at any point throughout the semester! The instructor present will assist with the enrollment process.

If you have any questions, contact the campus which you may enroll in the course for more information.
