Digital Navigator Program:

Exciting News! SDCCCE has welcomed a new digital navigator James DeSimone. James comes to us with experience as a digital navigator for the city of San Diego as well as with a background in digital equity. James will be at ECC and Mid City weekly. Feel free to say hello to James! See below for the digital navigator schedule during the month of November.

[Click THIS link to view a brief slideshow](#) which outlines the Digital Navigator Program. This slideshow can help understand what kind of services the Digital Navigator program offers and how you or

someone you know can receive assistance.

Paper applications available
(English and Spanish)

The Affordable Connectivity Program is offered by the Federal Communications Commission to help families with low income obtain affordable, quality, reliable internet access. It provides a discount of up to \$30 per month for internet service, a discount of up to \$75 per month for internet service for households on qualifying tribal lands, and a one-time discount of up to \$100 for a laptop, desktop computer or tablet from a participating provider.

The San Diego Housing Commission's (SDHC) Digital Inclusion Project helps address the "digital divide" between households with access to technology and the internet and those who do not have access. The project's initiative's include raising awareness about the Affordable Connectivity Program.

For more information about additional resources to help connect to the internet, call 619-578-7783.
