

# San Diego Adult Education Regional Consortium

SAN DIEGO COLLEGE OF  
CONTINUING EDUCATION

CALIFORNIA  
ADULT EDUCATION  
PROGRAM

San Diego Unified  
SCHOOL DISTRICT

## Attention SDAERC Partners,

A couple of time sensitive Professional Development Announcements – See below

### Events for Professionals

You are invited to a free professional development opportunity focused on a transformative **Five Day Experience Learning Institute (FELI)** taking place on July 10<sup>th</sup> - July 14<sup>th</sup> from 9 am - 5 pm at the ECC Campus, 4343 Ocean View Boulevard San Diego, CA 92113. This will be a partially online workshop, meeting via Zoom for day one. The remainder of the training will be in person.

FELI is a 5-day, 40-hour professional development opportunity for those interested in learning how they can better support the academic, vocational, and personal success of our most challenging student populations. Activities include but are not limited to large group discussion, small group sharing and presentations, movement activities, role-playing and reflection. FELI structures the activities to create a community and asks that all attendees be prepared to participate fully as active learners and to attend each day in full as rapport is built within the group as the days unfold. If you would like to look into ACE/FELI a bit more please click this link: <http://academyforcollegeexcellence.org/>

There are limited spots but SDCCE would like to open a handful of slots to Consortium community partners, in particular those who are sending participants to learn at SDCCE.

To apply to attend FELI click [HERE](#). Please keep in mind that if you are signing up, it means that you are able to attend all five full days of the Institute. Complete this form below **NO LATER THAN** Friday, June 30<sup>th</sup> by the end of the day. After you submit an application, if you determine that you cannot attend please contact Veleka Iwuaba via email at [viwuaba@sdccd.edu](mailto:viwuaba@sdccd.edu)

**SUMMER 2023**

JULY 10TH - JULY 14TH

FELI is a free Professional Development opportunity provided by SDCCE focused on student retention using an inside-out approach. The FELI is an 40-hour transformative workshop involving more than fifty exercises and activities. These dynamic activities draw on core ACE (Academy of College Excellence) curriculum centered around communication, working styles, leadership techniques, and building social capital in both your professional and personal life.

"FELI was such an exceptional way to learn and grow in my self-awareness and my work style, especially - I refer back to the experience regularly, and would love to have a reminder/refresher of some of those guiding principles and especially how they might be more relevant in the post-pandemic workspace." - Neill K

"FELI can and will change the tenor of the institution for the better if everyone attends. Be part of progress! We need you." - Rachel R

"The FELI Training was a very vulnerable class but I appreciate that because it was so very meaningful. By the end of the week the group felt very connected and it was so refreshing to be in a work environment and be able to see each other as humans with needs and emotions, rather than just co-workers. The "working type" quiz and groups were mind-blowing for me and I now share my findings with all of my students and encourage them to take the quiz. I was surprised how many of us had not tapped into many of the subjects before and I really think it helped us to find areas with triggers and to really grow!" -Megan T (SDUSD AE)

Register for the **2023 State CAEP Summit** before early bird pricing ends. This is the first State CAEP Summit being held in person for the first year since before the pandemic.

The CAEP Summit 2023 is ideal for the teachers, coordinators, administrators and support staff in the network of California adult education providers under the California Adult Education Program.

This event will offer relevant and new information through dynamic presentations with emphasis on working creatively and collaboratively to respond to the current needs of adult learners and help ensure learners are well prepared for employment or further education.

Early Bird registration is now at **\$450** through 8/25/23. The Conference will be held at Universal City on October 24<sup>th</sup> - 26<sup>th</sup>. Go to this link for more information and to register <https://summit.caladulthood.org/>

The banner is split into two main sections. The left section has a dark blue background with a large anchor graphic. A chain of circular icons is draped over the anchor, each with a label: 'Learner Transition', 'Equity', 'Program Development', 'Leadership', 'Technology and Distance Learning', 'Program Evaluation', and 'Marketing'. In the bottom left of this section is the 'CALIFORNIA ADULT EDUCATION PROGRAM' logo with 'Technical Assistance Project' below it. The right section has a light orange background. At the top, it says 'CAEP SUMMIT 2023' in large blue letters, followed by 'Join us for our Engaging In-Person Conference!' in smaller black text. Below that is a horizontal line, then the dates 'OCTOBER 24-26, 2023'. At the bottom of this section are two circular logos: the California Community Colleges logo and the California Department of Education logo.
