IMMIGRANT based SUPPORT PROGRAM (ISP)

1901 Main St, San Diego, CA 92113 (Room 212)

SDCCE-ISP welcomes all, and emphasizes assisting SDCCE's Immigrant-based Student Population. Our collaborative community is continuously designed, and revised, by students, staff and faculty based on the needs expressed by volunteers and participants through individual and small group meetings, our social media platform, and during the zoom forums.

The ISP incorporates volunteers that provide research, peer tutoring, presentations, English language practice, and special weekly events that include:

Weekly Zoom Student Community Forums
 Tuesdays (Spanish) & Wednesdays (English) 3:00-4:00PM

- Opportunities and Resources
- Employment Possibilities
- Free Health and Legal Assistance
- Educational and Community Events

WhatsApp Groups
 Spanish & English: Real-time on-going communication with participants

- Resources and Community Support
- Events and Projects
- Educational Opportunities
- Wellness

Student to Student Support

- HSE in Spanish: Math review sessions
- Student Group Meetings
- English language practice (Coffee Talks)
- Program Volunteer Meetings

Pipeline to Promise
 Due to varied immigration statuses, the ISP assists students interested in transferring to Community College with navigating the Community College admissions and FAFSA or Cal Dream Act process in order for them to meet qualifications to apply for SDCCD Promise Scholarships, Grants, and Programs.

The Career and College Readiness (CCR) Course has spring semester course offerings available. See flyer with QR code below. CCR is a great course designed to help adult learners gain a deeper understanding of their working styles in all types of environments, from the classroom to work and even in one's personal life – all while developing leadership skills! Also qualifies for a Option 2 Diploma credit.

SPRING 2023

INTD 500: CAREER & COLLEGE READINESS

This course is designed to help you develop a deeper understanding of how you work best, and how you can take a leadership role in team development.

We discuss various aspects of communication, how to manage your emotions, how you communicate with others, how people feel in those conversations, and how to change the way we communicate in order to get more value out of our personal and professional relationships.

The Career and College Readiness course can help you develop tools to support every aspect of your life - academic, professional, and personal.

The 21st Century skillsets gained in this course are what employers are looking for in an ideal candidate.

Events & Resources for Professionals

OER Webinars and Events Open Educational Resources are openly licensed teaching and learning materials. When a class is labeled as a ZTC (Zero-Textbook-Cost) class, that means that any required textbook can be accessed online for free, or that there isn't a required textbook assigned for the class. SDCCE OER Coordinator has written an article titled [Introduction to OERs](#). For more information on OERs or ZTC initiatives, please contact SDCCE OER Coordinator Diana Vera-Alba at dveraalb@sdccd.edu

- **Friday, February 24, 2:00 pm – 3:00 pm**

[Register for What Do We Tell Students about ChatGPT? Finding and Building English Open Educational Resources \(OER\) about Artificial Intelligence \(AI\)](#) Writing Assistance

Students need guidance about the uses and perils of AI text generators like ChatGPT that can auto-produce plausible academic writing. What OER materials are already available on the subject? Can writing teachers work together to create more materials that are openly licensed so they can be adapted as the software evolves? Can collaborating on such OER facilitate essential discussions of the place of AI tools in the teaching of writing? Join us for a discussion of how OER can help us form our responses to this new, rapidly evolving technology.

[Math OER Office Hours](#) – The OERI is pleased to offer a series of Math open educational resources (OER) office hours throughout the term. These office hours will serve as a Q&A session where attendees bring in their math OER needs and questions. Attendees can also use this space to receive guidance and ask questions pertaining to MyOpenMath.
