Career/Technical & Advanced ESL Certificate Programs
Eligible for Participation in 2024 Commencement
Revised 6 February 2024

The following programs are eligible for participation in the 2024 Commencement Exercises, to be held Tuesday, June 11, 2024, at the Spreckels Organ Pavilion in Balboa Park. Eligible students must:

1) Have completed the entire program by Fall 2023 or Spring 2024; *or*
2) Be 90% complete with the final course(s) for the program, with an expected final completion by 8 June 2024.

Remember: a PROGRAM is a combination of more than one COURSE in an academic area. For example:

Air Conditioning and Heating Program (120 hours) – *complete two courses:*
MECT 431: Air Conditioning/Heating I (72 hours)
MECT 432: Air Conditioning/Heating II (48 hours)

Culinary Arts Program (610 hours) – *complete six courses:*
FDNT 671: American Regional Cuisine (108 hours)
FDNT 672: Introduction to Principles of Cooking (108 hours)
FDNT 673: Principle of Meat & Seafood Fabrication & Cookery (108 hours)
FDNT 674: Intro to Vegetables, Starches, and Fruit (108 hours)
FDNT 675: Baking & Pastry Fundamentals (108 hours)
FDNT 676: Restaurant Economics & International Cuisine (70 hours)

If you are uncertain whether you have completed one of the programs listed below or if you are nearing completion, please consult with an academic counselor as soon as possible – you may also review your unofficial transcript on your mySDCCD Portal.

Students who have completed the following programs should complete the Commencement Petition to self-report their completion and indicate their interest in participating in the Commencement Exercises on June 11. Visit https://tinyurl.com/SDCCE2024Grad to complete the Petition by Friday, May 3.
