Note 1. Issues have been identified whereby Program Completions are not identified in Campus Solutions if an ed plan has not been completed. This most often impacts students attaining certificates in multiple program areas without multiple ed plans. Therefore, the number of Program Completion may be under-counted.

Note 2. SDCCD transitioned to Campus Solutions in Summer 2019. Changes to the business processes required to support this process may have resulted in a modifications to the awards data for 2016/17, 2017/18, and 2018/19.

Note 3. Some programs have overlapping courses (e.g., HLTH605, COMM660). Due to this, the sum of the rows may not be equal to the total. Contact Jesus Rivas at jrivas@sdccd.edu for more details.

Note 4. Cancelled, apprenticeship, fee, and contract sections are excluded.

Note 5. Data for this table is reported by Fiscal Year. Fiscal Years start on July 1st and end on June 30th. For example, Fiscal Year 2020/21 started on July 1st, 2020 and ended on June 30th, 2021.

Note 1. Issues have been identified whereby Program Completions are not identified in Campus Solutions if an ed plan has not been completed. This most often impacts students attaining certificates in multiple program areas without multiple ed plans. Therefore, the number of Program Completion may be under-counted.

Note 2. SDCCD transitioned to Campus Solutions in Summer 2019. Changes to the business processes required to support this process may have resulted in a modifications to the awards data for 2016/17, 2017/18, and 2018/19.

Note 3. Some programs have overlapping courses (e.g., HLTH605, COMM660). Due to this, the sum of the rows may not be equal to the total. Contact Jesus Rivas at jrivas@sdccd.edu for more details.

Note 4. Cancelled, apprenticeship, fee, and contract sections are excluded.

Note 5. Data for this table is reported by Fiscal Year. Fiscal Years start on July 1st and end on June 30th. For example, Fiscal Year 2020/21 started on July 1st, 2020 and ended on June 30th, 2021.
