Source: SDCCD Information System

Note 1. The substantial increase of CE certificates of completion beginning in 2014/15 is partially due to an increased effort by the Deans, program chairs, and instructors to report all course and program certificates earned.

Note 2. Due to implementation of a new GED testing system, outcome data can no longer be accessed. The High School Equivalency Test (HiSET) is excluded from awards conferred.

Note 1. The substantial increase of CE certificates of completion beginning in 2014/15 is partially due to an increased effort by the Deans, program chairs, and instructors to report all course and program certificates earned.

Note 2. Due to implementation of a new GED testing system, outcome data can no longer be accessed. The High School Equivalency Test (HiSET) is excluded from awards conferred.
