What is Annual Integrated Planning?

- Annual Integrated Planning (AIP) is a process that informs multiple activities across the institution

- It involves three things: Program Review, Strategic Planning, and Request for Resources

ACTIVITIES

Program Review

Students did not know how to use CANVAS

Strategic Planning

Develop CANVAS remedial content

Request for Resources

Need non classroom assignment to develop materials
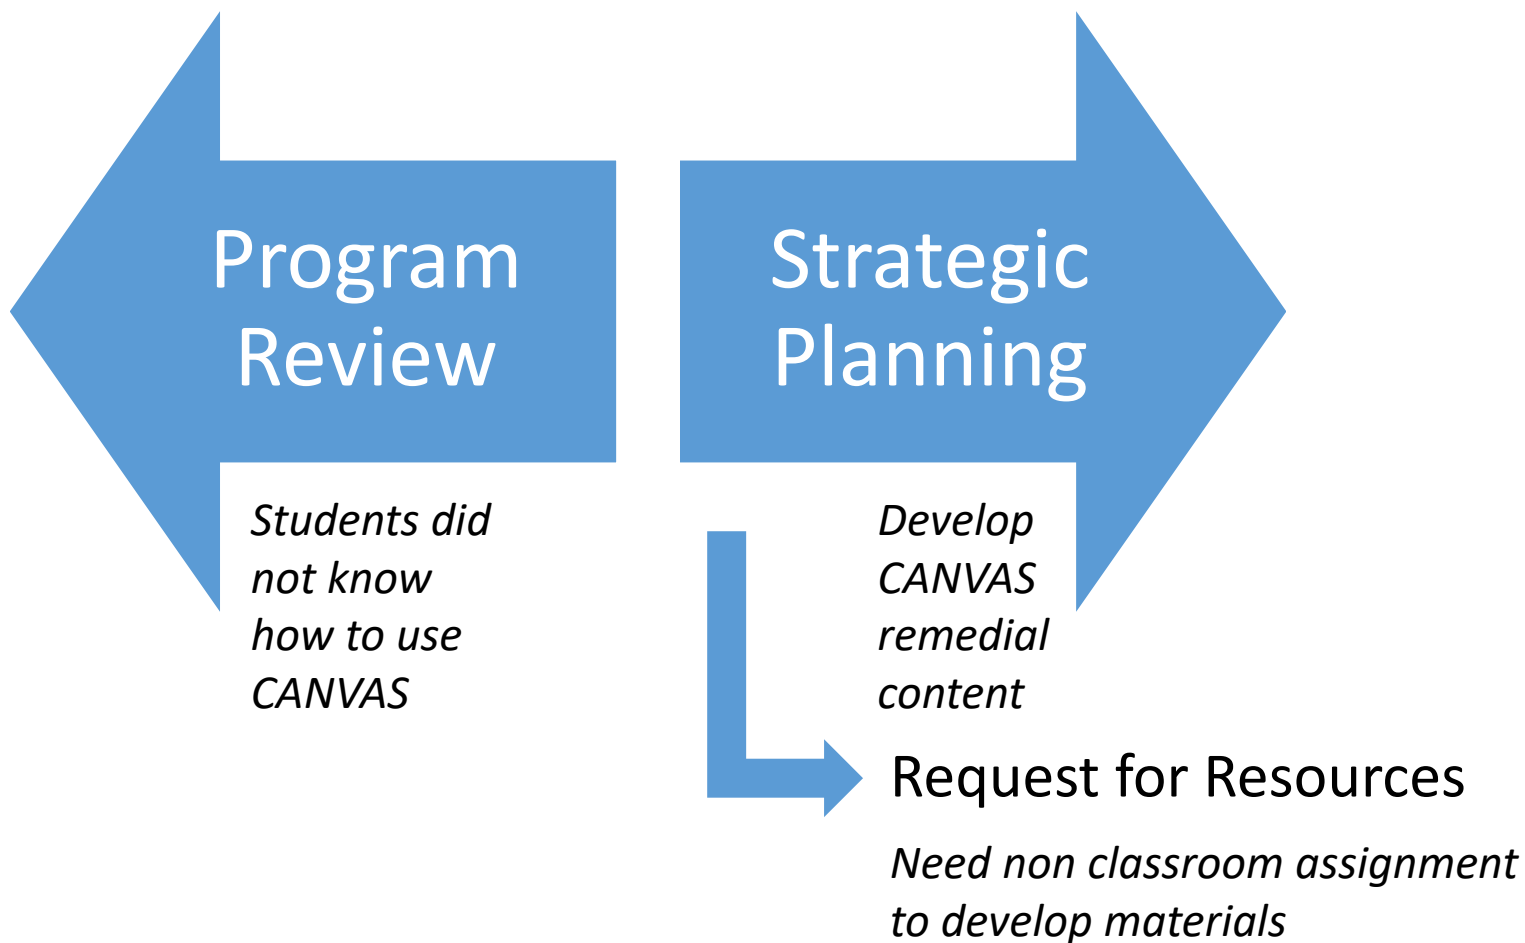

In Conclusion

- AIP is process that informs:
  - Program planning & improvement
  - Institutional planning
  - Accreditation
  - Resource allocation
- It comprises three activities:
  - Program Review
  - Strategic Plan
  - Request for Resources
