Call to Order

1. Reading: Land Acknowledgment [Statement](#) | All (3 minutes)
2. Approval of Agenda | All (2 minutes)
3. Public Comment | All (10 minutes)
4. AS Executive Council Reports | (10 minutes)
 - a. President | Weinroth
 - i. **Academic Senate Plenary:** An email was sent with the PowerPoint presentation. The noncredit resolution was reviewed, underscoring the need to keep noncredit programs included in statewide discussions. Although this mainly applies to other colleges, it is still useful for us. The resolution passed statewide
 - b. Vice President | Metz-Matthews
 - i. **ASCCC Website:** Members were encouraged to review the current resolutions. There was strong support for SB 98 (Perez) and for creating best practices to support undocumented students. The resolution passed overwhelmingly.
 - c. Chair of Program Chairs | Rose
 - i. **AFT Survey:** Chairs should remind faculty that the AFT survey was sent on November 10 by Jim Mahler. Faculty are encouraged to complete it to support collective bargaining efforts.

- ii. **Program Chair Compensation:** Feedback is being collected on program chair compensation. A draft will be shared with program chairs for their input.
 - 1. Current 10-month contract makes it difficult to meet all responsibilities.
 - 2. CE Faculty Workload: Continuing Education faculty do not have advisement hours and have fewer campus-assigned activities than credit faculty.

d. Treasurer | Surwilo

- i. Academic Senate Funds: The AS budget is in a strong position, with an additional \$75,000 allocated for travel. All travel restrictions have been lifted for the current academic year, and the individual travel allotment has been increased from \$1,800 to \$2,000.

e. Curriculum Chair | Gholson

- i. State Legislation Update: Recent legislative changes will affect Course Outlines of Record (CORs), including how contact hours are reported. Details are still emerging, and the process may begin to resemble credit reporting. We are waiting for the credit side to finalize their policy document before providing input. Faculty are encouraged to attend Curriculum Committee meetings for updates.
- ii. COR CE Update: One additional presentation on COR updates is forthcoming. The current COR revision is now in effect.

f. Secretary | Bass

- i. The deadline for the Campus Climate Survey has been extended. Faculty are encouraged to complete the survey if they have not already done so.
- ii. The next AS meeting will be held at the Chávez campus.

5. Action Items (10 minutes)

- b. Hiring Practices Resolution (2nd read) | [Report](#) | (5 minutes)
 - i. The item already falls within the Academic Senate's purview. The Executive Committee recommended withdrawing the resolution and proceeding directly with the formation of an ad hoc committee.
 - 1. The motion to withdraw the resolution passed.
 - ii. A subsequent motion to form an ad hoc committee failed. Concerns were raised regarding the committee's composition. The Executive Committee will review the constitution and provide recommendations on the committee's structure.

1. Administration conducts a required annual review. In response, the Academic Senate may offer suggestions to support this process. Faculty are encouraged to provide recommendations to contribute to this effort.
 2. 10 yes, 10 no, 4 abstentions, motion does not pass

 - i. The Academic Senate was asked to sign the district report, which includes a request for parity for Continuing Education (CE). The intent was to share the report language with the Senate, noting that all wording is drawn from the Collective Bargaining Agreement (CBA). Significant differences remain between credit and noncredit language, with **parity** identified as the primary concern.
 - ii. The Academic Senate President requested feedback from members.
 - iii. The union is examining several areas related to parity, including pay scale, alignment of the CE calendar with the credit calendar, and impacts on adjunct faculty. Members were encouraged to stay tuned for further updates and to complete the union survey.
