3. Information	on/Discussion Item(s)
3.1 IEPI Inno	vation and Effectiveness Plan close out
INFORMATION	<ul> <li>The Internal Communications project (specifically hiring a consultant) was ended due to a combination of factors. The I&amp;EP is set to expire at the end of the fiscal year. COVID-19 pandemic response hinders contracting and consultancy work for an undefined period of time. It was agreed to direct funds to suppor faculty training and work on SLOs, curriculum mapping, etc. in IEPI plan.         <ul> <li>Question: is there any aspect of this (internal communications) piece that will be completed?</li> <li>Answer: it would need to be re-contextualized. I&amp;EP funding extension is completed.</li> <li>Members expressed concern that this unique situation (Covid-19) specifically impacts communication issues and this is not proceeding at this time – this should not go away as a priority when we return to our jobsites and determine "new normal". For the sake of accountability, PIE should acknowledge that this area of the plan wasn't completed.</li> </ul> </li> <li>Some internal communications efforts were completed from the plan: Kudos Committee, President's Weekly Messages (blog)</li> <li>Discussion: PIE should address communications as an institutional priority: "what can we do to address th ongoing communication challenges we have?" – especially now (Covid-19)         <ul> <li>Since this is cross-functional item may need to be addressed through EPC and EGC? In accreditation coinstitutional plans? Discussion held for next meeting.</li> </ul> </li> </ul>
Action Item:	Jessica will send PIE members a list of all the completed items in the IEPI plan
3.2 Feedbac	k Survey Results and Recommendations for future iterations of the AIP process
INFORMATION / DISCUSSION	<ul> <li>Integrated Planning Feedback Survey was sent out in January         <ul> <li>Progress is positive – participants are getting used to the new process</li> <li>We were able to identify to gaps informing improvement going forward</li> <li>Participants were positive about the support provided</li> <li>Training worked well, however more online training would be beneficial (Zoom, video tutorials)</li> <li>Participants indicated that the timeline is challenging</li> <li>Full-department participation is still a challenge</li> </ul> </li> <li>Annual Integrated Planning (AIP) next year         <ul> <li>Fine-tune training/coaching and increase types of support provided (video tutorials, etc.)</li> <li>Consolidate the use of post-session surveys</li> <li>Continue messaging the importance of AIP to the institution</li> <li>Continue streamlining the process to make easier for the end-user</li> </ul> </li> <li>Review again at first PIE and PR committees</li> </ul>
	legus will provide the full report from the survey to DIE members

## 3.3 Progress on Previous Action Items: Kudos Committee

Action Item: Jesus will provide the full report from the survey to PIE members

No information to report regarding faculty until we return to campus – no actual committee exists presen  Members discussed that kudos now, during this time, might be more necessary than ever  We should think of ways that we can provide kudos now as it might be a morale booster  Perhaps virtual acknowledgement via emails.  Neill will be mentioning classified professionals deserving of kudos during his portion of the CE Town Hall Zoom meetings  Action Item: John and Neil will collaborate in looking for 'unsung heros' through Academic and Classified senates  3.4 Committee Reports  3.4.1 Districtwide Strategic Planning Committee – meeting was cancelled/rescheduled to the end of the month  3.4.2 PIE Sub-Committee: Accreditation – meeting coming up will address Action Plan update, Mid-Cycle report  3.4.3 PIE Sub-Committee: Research – committee has not met yet  3.5 Faculty Priority Hiring Committee Feedback on Committee Resource Allocation  Programs that do not use LMI aren't addressed on the resource allocation form Institutional objective needs to be moved to up in the form as it was missed by most  An instructional program requested a counselor – how are cross-department requests addressed?  Can requests be submitted for other departments and other resources? – should this question be addressed to EPC and/or VPA?  Due to time constraint, this discussion will be carried forward to the next PIE meeting
