SDCCE_Safety_Emergency_Preparedness_Timeline_2025-2026 (1).pdf; 2026 - 2027 SIB Priorities (2).pdf;

Dear Colleagues,

As we continue our collective efforts to foster a safe, welcoming, and inclusive learning environment for our students and employees, I want to take a moment to share an update on the important work taking place at San Diego College of Continuing Education (SDCCE).

Attached are two documents that highlight our progress and ongoing priorities:

- **2025–2026 Safety & Emergency Preparedness Activity Timeline:** Provides an overview of the college's efforts to strengthen campus safety and emergency preparedness through trainings, campus response drills, communication protocols, and coordinated planning.
- **Safety, Inclusion & Belonging (SIB) Task Force Priorities:** Outlines the key areas of focus and ongoing initiatives designed to strengthen student support, enhance communication, and ensure our college community has access to the resources and information needed to navigate emerging challenges.

Together, these documents reflect the intentional and collaborative work underway to move beyond planning and into meaningful action that supports our students and strengthens our campus communities.

I also want to extend my sincere appreciation to the members of our **Safety, Inclusion & Belonging (SIB) Task Force** for their dedication, thoughtfulness, and continued commitment to this important work. The challenges we are navigating require collaboration, responsiveness, and care, and I am grateful for the time, expertise, and perspectives each of you brings to these efforts.

Looking Ahead: Supporting Students Impacted by Immigration Issues

In the coming weeks, we will also be launching a fundraising campaign to help provide financial assistance for legal fees for students impacted by immigration-related challenges. Members of our college and district community will receive a link with additional information and an opportunity to contribute. Donations will help us provide critical legal support to students navigating difficult circumstances that may impact their well-being and ability to continue their education.

While we have made meaningful progress, we recognize that this work is ongoing. We remain committed to listening, identifying opportunities for improvement, and working collaboratively

across the college and district to ensure that our students and employees feel safe, supported, and connected.

Thank you to everyone who has contributed to these efforts and for your continued partnership in supporting our students and one another.

In Solidarity,

Shakerra
